Weddings by Sheraton

At Sheraton Athlone Hotel, our success stems from three core ingredients – the warmth of our wedding team, the remarkable quality of our cuisine and the impeccable standard of our service. Together, this blend has established Sheraton Athlone Hotel as one of the finest wedding venues in Ireland.

Our Executive Chef and his talented team will design the perfect wedding menu, incorporating all your favourite flavours and the finest, freshest ingredients. Our banqueting team will create a truly personal and exquisite dining experience, one that you, your family and dear friends will cherish and savour.

With only one wedding per day, you can be rest assured that you and your guests will be our only priority and the centre of attention on this, your special day.

We promise you excellence

Whether a grand or a more intimate wedding, the Hoey Suite is a truly magical and atmospheric venue for your wedding reception. Hundreds of strands of sparkling crystal hang from five stunning chandeliers to give the room a soft gentle light.

Our impressive feature light wall also add a sparkling backdrop to this exquisite room.

And that's not all. You can reflect your colour theme throughout the room by selecting colours from the lighting menu ensuring that your wedding day is simply on a different level.

Delightful moments... Indelible memories

Spanning the top two floors of the 12 storey Sheraton tower, the Presidential Bridal Suite has double height floor to ceiling glazing, living area, dining room and private balcony with a magnificent mirrored steel and glass spiral staircase leading to the mezzanine level sleeping quarters. A crystal chandelier by Brand Van Egmond illuminates the two floors.

Your guests can enjoy 4 **** excellence throughout the 167 luxurious bedrooms and suites. Many of our guest rooms boast floor to ceiling glazed facades - which allow for idyllic views over the meandering river Shannon, Shannon Callows and surrounding Lakelands.

Hotel facilities are at your disposal during your stay which include the unique Sirana spa and Sheraton Fitness leisure centre with its remarkable aquatics area; swimming pool, 3 feature pools and state-of-the-art fitness equipment.
